President's Message

Dear Fellow Altrusans and Friends,

It is with a profound sense of gratitude that I write to you today as your incoming club president. To be entrusted with this role by such a remarkable group of women is an honor I do not take lightly, and I am genuinely excited for the journey we are about to share together.

As we step into this new term, I invite each of you to embrace our guiding theme: ***One Heart, Many Hands.***

This theme speaks to something I believe is at the very core of who we are as Altrusans. Each of us arrives with our own story, our own gifts, our own unique way of seeing the world — and yet we are drawn together by something larger than any one of us. We share one heart: a heart for service, for compassion, for the belief that a community cared for is a community that thrives. When many hands answer the call of that one shared heart, there is truly nothing we cannot accomplish. Let this be our compass for the year ahead.

United in Purpose

Altrusa International has stood as a beacon of community service since its founding in 1917 — more than a century of women leading with intention, giving with generosity, and lifting others with steady, capable hands. We are the inheritors of that remarkable legacy, and it is ours to carry forward with pride.

Our club's greatest strength has never been any single program or project — it has always been our people. It is *you*: your dedication when it would be easier to step back, your creativity when a challenge seems immovable, your willingness to simply show up.

This term, I want us to lean into one another more deeply than ever. Bring your ideas to the table — no thought is too small, no suggestion too bold. When we collaborate and trust one another, we multiply our impact far beyond what any of us could achieve alone.

Service and Fundraising

Our upcoming service and fundraising calendar promises to be engaging, fun, and impactful.

While we consider July and August to be our "summer break", our service "wheels" are still turning. We will be gathering on Saturday, June 27 for our annual Fundraising Yard Sale. Our semi-annual BAM Book Drive to be held at Books a Million in South Portland runs July 19th through August 16th. We look forward to Restaurant Night at Brick Hollow in September. We will reconvene September 2nd with our monthly business meeting, refreshed, renewed and ready to kickstart our fall efforts, beginning with our planning for "Empty Bowl".

As we begin this term together, I find myself returning again and again to those four words: ***One Heart, Many Hands.*** Let them remind us of why we gather, why we serve, and what we are capable of when we stand together.

I commit to you my very best: to lead with integrity, to listen with humility, and to serve alongside you with joy. Altrusa is not simply an organization — it is a calling answered together. I am so grateful to answer it with each and every one of you.

In Service and Sisterhood,
Debbie Lemieux

Altrusa is an international non-profit organization, making our communities better through leadership, partnership, and service.

Celebrating 250 Years of Freedom, Resilience, and Community

Happy Independence Day! This year is incredibly special as we celebrate 250 years of our nation's journey. Let's take a moment to enjoy the summer, gather with friends and family, and give thanks for the freedoms we share.

While Altrusa International is not 250 years old, Altrusa International was founded in 1917 in Nashville, Tennessee, as a civic organization for business and professional women, evolving into a global network dedicated to community service and literacy.

In 1935, Altrusa became international when the first club in Mexico was organized. Since that first step over US borders in 1935, Altrusa moved into Puerto Rico, Chile, Ecuador, Mexico, India, Korea, Russia, Ukraine, Ireland, Great Britain, Bermuda, Canada, and New Zealand. In 1946, Altrusa sent its first representative to the United Nations.

Did you also know that In 1966, the organization established ASTRA service clubs to look to America's youth as the future of Altrusa. ASTRA encourages young people, ages 13 to 21, to participate in community service. We have a strong ASTRA Club at Lakes Region High School.

The Altrusa International Portland, Maine chapter, which was established in 1929, is incredibly active in promoting local childhood literacy and distributing books, and other worthwhile endeavors within the Greater Portland area and globally. Help us to remain strong beyond our 97 years!

In the spirit of the holiday, let's make it count by giving back to our communities. Wishing you a wonderful and safe holiday!

June Letter
Altrusa District One Governor
Susan Porazzo

Hello Presidents,

As I begin the second year of my biennium, I want to extend my thanks to our Past Governors and to everyone who joined us for our 70th Spring Conference. Even though attendance was lighter this year, the time we spent together was meaningful, and the feedback shared was thoughtful and constructive. It was wonderful to see how much members enjoyed the workshops led by our Service Committee Chairs — their dedication truly shines through. Thank you all for everything you do to support our District.

The Board is preparing a survey that we hope every President will bring back to your members. Your voices matter. As we look at ways to make our conferences more engaging, productive, and appealing to all members, your honest feedback will guide us. Hosting conferences and workshops takes a tremendous amount of time and effort, and our hope is to see more members attending — or at the very least, to see our numbers grow.

This June, we welcome one new President, and I want to express my deep appreciation to those of you continuing as President. Our clubs simply could not accomplish what they do without your leadership, your steadiness, and your support.

District One was recently recognized by International in several wonderful ways. Central CT received a $100 award for bringing in a new member during President Chris' membership initiative. Meredith, NH and Merrimack Valley each received an International Grant this cycle, and we look forward to seeing their project write-ups next year. Congratulations to all — your hard work is being noticed.

As summer approaches, I know some clubs will take a well-deserved break while others will continue their projects. Whatever your plans, I wish each of you a season filled with rest, happiness, and inspiration. I look forward to seeing the service you bring to your communities in the months ahead.

In service,
Susan

District One covers Connecticut, Massachusetts, New Hampshire, Maine, Quebec, and Bermuda.

Scarborough Maine Veterans Home Project

SALUTE TO VETERANS

If you're looking for a potential volunteer project, please consider applying to the Maine Veterans Home as a volunteer (applications can be obtained from Christine Johnson). You can participate on your own or with fellow members. We are considering quarterly visits and maybe sponsoring bingo with the residents as a potential activity. A volunteer orientation is required if you plan to volunteer in person. HOWEVER, another option is starting the project with handwritten cards as residents enjoy receiving them throughout the year and there is no need to submit a formal application. If you're interested, please contact Martha or Cathy.

Committee News

From the Program & Events Committee

WE HAVE PLANS!! PLANS, PLANS, PLANS!!

The committee met on June 15th to review the survey results. We took note of what you want, what you don't want, and other suggestions.

Top-voted ideas that we are working on include: a technology night, a speaker from The Telling Room, a speaker from MPBN, an immigrant/New American's perspective on life in Maine, a speaker on healthy aging, and more… Our goal is to have commitments from the speakers/presenters well ahead of time so everyone knows what's planned and when.

We received the good news that the North Deering Tavern will continue to allow us to use the meeting room at no charge. The majority of survey respondents were in favor of continuing with two meetings per month, and the top choice of venue for the second meeting was a restaurant. We're open to other restaurant ideas but for now the plan is to continue at NDT.

Fran Jensen will be the meal count coordinator. She will send an email to the club each month asking for RSVPs and then will give that number to President Debbie who will be the contact for the restaurant. So, please, be sure to respond to Fran's emails (yay or nay) in a timely fashion.

We'd like to organize a summer outing and invite our Altrusa sisters from the Seacoast, Biddeford-Saco, and Sanford-Springvale clubs to join us. Many years ago we used to take the ferry to Peaks Island for dinner; it was always such fun. If you have an idea for a fun summer outing, at a location handy to our sister clubs too, please let co-chairs Ann Smith and Marie Pike know. We're excited for upcoming year and we hope you will be too. Meanwhile, enjoy the summer!

Getting to Know You "speed dating" Night

We're pleased to announce that the ***September 16th program meeting*** will be a *Getting to Know You* 'speed dating' night. What might you learn about people you don't know well yet, and about people you think you already know well? And what will someone learn about you? It's sure to be a fun kick-off to the new Altrusa season.

Mary Stiles Award

Ann Smith presented Sophia Romano with a $500 Mary Stiles Award scholarship at Senior Awards Night on May 28th at Deering High School. Sophia plans to attend Mount Holyoke College in the fall studying psychology and education.

She belonged to the National Honor Society as well as the Model United Nations and Youth in Government. Her extra curricula activities were varied from the drama club, Brecia studies and rock-climbing! She will be a wonderful asset to the Class of 2030.

Ann Smith presenting Sophia Romano the $500 scholarship.

Mary Stiles was president of Altrusa Portland, ME from 1993-94 and her children attended Deering High School.

Academic Scholarship

Andrew Margoli, a young man from South Portland, is the recipient of our $1,500 scholarship from Altrusa Portland, ME. He is studying to become an electrician and will have funds for the fall semester.

Presently he is working with a master electrician. The hands on experience, along with his education will help build the knowledge and skills to succeed in this important trade.

Dreams for the future include investing in multi-family housing.

Andrew was most appreciative for the award and thanked the membership for believing in his potential and helping with his education.

Connie Rickett Award

Casco Bay High School chose Calil Sommerl to be the recipient of the Connie Rickett Award for 2026. He exhibits excellent organizational skills, as well as strong notetaking. Having a genuine curiosity finds him pursuing projects independently, not necessarily for a grade, but for the learning itself.

Although he is quiet, his leadership qualities shine thru. There seemed to have been a need for a photography club at the high school, so Calil designed sessions for the interested student and taught many about photography. Culmination of this club was an exhibit that Casco Bay members held this past winter.

He will be taking a year in Nepal for service to the community. Upon returning to the United States, he will attend the University of Southern Maine.

Alice Whittier/Fran Dyro Award

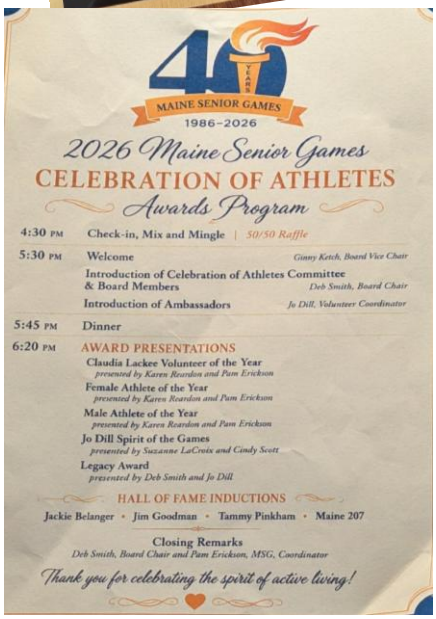
Orane Bakajika, Portland High School, was the recipient of the Alice Whittier/Fran Dyro MD Award.

For most of her life she has known that pursuing a career in the medical field was her dream. She attended the biomedical program at PATHS, half days her junior and senior years at Portland. Her goals for her degree will be in radiation or radiography.

She completed six dual classes at SMCC upon graduating from High School. Further studies will be at SMCC and University of Southern Maine.

Being the eldest with her African Father and siblings, her responsibility is appreciated. Family, work, church and the Pihcintu Multinational Girls Chorus occupies her spare time and gives her an opportunity to travel.

Maine Senior Games Honors Anita Chandler



Celebrating the Spirit of Active Living

On May 29th a few of our Altrusans attended the 2026 Maine Senior Games (MSG) Celebration of Athletes Award Program. Maine Senior Games Founder and fellow Altrusan, Anita Chandler, who was honored with the Legacy Award for her work beginning the Games and her continued leadership moving forward through the years. Present were President Debbie Lemieux, Past President Karen Valley, Foundation Director Cathy Paglio and Secretary Trish Maxim along with former Altrusan Nicki Griffin, a close friend of Anita's. Altrusan Ann Babbitt was also there with Deb Smith, a former Altrusan and current board Chair for MSG.

The evening was enjoyed by all with a Mix and Mingle, 50/50 Raffle (which Anita won and then donated back to MSG), a buffet dinner and award presentations followed by Hall of Fame Inductions.

Congratulations Anita as the Legacy Award recipient, to all those recognized at the event for their accomplishments and to Maine Senior Games as they celebrate their 40th anniversary 1986-2026.

My first participation in the MSG was in the 2026 Candlepin Bowling Games in May at the Big 20 Bowling Center in Scarborough Maine. It was so much fun! I strongly urge all over 50 to find an interest and get out there and compete. Just get out there and do your best! You'll feel good, make new friends and you'll be supporting the spirt of active living! ~ Karen Valley

ASTRA NEWS

A sub-committee of Membership is ASTRA, which just completed its 10th year at Lake Region High School (LRHS). Although we never saw them all at one time, we had 52 members on our roster this year (male & female). 14 of them were Seniors who have now graduated. So, like Altrusa, we are always recruiting for new members.

We don't know yet WHO is going to replace our ASTRA Advisor for the next school year. We've been fortunate to have Mrs. Kristina Theriault for 5 years. And also fortunate that she believes she has found a good replacement to be our next Advisor. (Starting our 11th year, this will be our 4th Advisor. Each of the prior 2 Advisors found their own replacements. So we are excited to find out who Kristina has found.) They must be Staff of the school district.

ASTRA SCHOLARSHIP

Our Scholarship recipient, Kaitlin Lane, was unable to be with us on May 26th
to receive her $500 Scholarship from Altrusa during our final meeting & gala send-off to the Seniors. It was subsequently presented to her by ASTRA Advisor, Kristina Theriault during a 'Face Time' with Trish Maxim via cell phone.
