**Governor's Message**

Message from the Governor:

Happy New Year Everyone!!

I usually don't make New Year resolutions because in the past I never kept them for long and I hate feeling like I failed, so my answer was to not make any resolutions. However, this year my plan is to try to be kinder.

I recently saw an "On the Road" segment on the nightly news where teachers were showing "On the Road" segments in their classrooms. The kids regular viewing of people being kind to others in these segments was having an impact. The teacher reported that children exposed to this regular viewing were more empathetic and apt to be kind to others. The good news is that this wasn't an unusual occurrence. They then showed that there were hundreds of schools that had added the "On the Road" segments to their regular school activities.

You may ask why I wanted to adopt this resolution, to be kinder. Recently, I noticed I was lacking patience with people and events. I think my plan to take a moment and think before reacting, may help make me a kinder person. I've got my fingers crossed that I don't break this resolution ....too often.

How are you doing on your New Year resolutions? I hope one of them is to come to Conference in 2023.

The theme this year is "Turning Back the Tide". After a couple of years dealing with COVID restrictions, this past year has seen us starting to meet again and getting back to Hands-On Service Projects. With good vaccines, testing, and protective measures (such as masks and disinfectants), we are learning to operate safely in our new environment. We are 'Turning Back the Tide'.

This DSB is full of information about the upcoming District One Conference in April 2023. It will be held at the Nonantum Resort in Kennebunkport, Maine. In the DSB you will find registration material, and detailed information about the agenda.

Mark Your Calendar and plan to join us at Conference in Kennebunkport (April 21-23, 2023).

Until then keep doing what you do best: Helping your Communities through Service and Literacy Projects.

Pam  
Governor, Altrusa District One

Dear District One,

We are just a few short weeks away from Conference Season and I hope your plans are already in the making to attend your upcoming event. Conference is a time to find out what's happening around your District, to celebrate accomplishments, network with others, spend time with old friends, and make new friends all while doing the work of the District. I know your District Governor and your Host Conference Committee have put many hours in developing an event that you will not want to miss. You will return to your clubs renewed, re-energized, and eager to do the work of Altrusa which is *Service to Others Leading to a Better Community*.

I look forward to hearing about all the wonderful things you're doing in your communities as you strive to live up to the mission of this wonderful organization. Never doubt that you are making a difference, and never forget that ...***United We Can Achieve Much!!***

Kathy Folley  
International President  
Altrusa International, Inc.

### Our Altrusa International Conference Guest, Linda K. Smith

Linda served as President of the local hospital auxiliary for 4 years and continues to serve as Scholarship Chair. She has also been President of two state-wide organizations, served 4 years on a national board, and recently completed a term as Chair of Humanities Kansas. She spends much of her time volunteering to make her community better! Professionally, Linda has worked at the Eisenhower Presidential Library for 51 years and will retire on March 31.

## Fundraising Fair

The FUNdraising Fair will be held Saturday afternoon between 4PM – 5PM. Your club is encouraged to bring items to sell to other Altrusa members as a fundraiser for your club. In past years, raffle baskets, 50 – 50 raffles, hand crafted items, cookies, candies, etc. have been popular items.

## Silent Auction FUNdraiser for the Altrusa International Foundation

At Conference, we will have a Silent Auction to benefit the International Foundation. We are hoping each club will bring an item (or items) to be auctioned off. There will also be a 50 – 50 raffle, in support of Int'l Foundation. All of the money raised will go to support the great work our International Foundation does.

**Newborn Assistance Program  
(NAP)  
A Baby Shower in a Bag**

The Greater Biddeford-Saco Altrusa Club has a service project called the Newborn Assistance Program (NAP). They prepare bags that include essentials for newborns. The bags are put together, with consideration of the season.

Summer bags would have short sleeved items, winter bags would have long sleeve and heavier material items and Spring and Fall bags would have a combination of short and long sleeve items. They also differentiate between girl baby bags and boy baby bags, by the difference in the clothing or in the color of the items. They avoid items with writing/ slogans / and parental designations, if possible.

The bags are given to mothers of newborns deemed to be needy by the hospital nurses.

## Treasurer's Corner From Wanda Pettersen

January 2023

Happy New Year !

I would like to thank all for submitting copies of your Club's IRS and State forms to District. Submission of these forms allows District to ensure your club's compliance with State and Federal regulations.

Does your Club need financial assistance to help with the growth of your club? District One has a Club Growth Grant which allocates up to \$500. Take a look at District One's policy #12 which explains how to apply and the eligibility criteria.

District Conference is right around the corner (April 21-April 23, 2023). Each club will be sending Delegates/Alternates to conduct District Business. The number of Delegates/Alternates is determined by the club's total active membership, for whom dues have been paid, from April 1, of the previous year to March 31<sup>st</sup> of the current year (4/1/2022-3/31/2023). It is in the club's interest to make sure any new members have had their dues submitted to International & District and posted on Group Tally prior to March 31st.

I will be sending your club's membership numbers for verification. Those numbers will confirm the number of Delegates/Alternates your club is entitled too. Please respond to me should those numbers need updating.

Please do not hesitate to contact me with any questions or any assistance you may need. I look forward to seeing you at the District Conference.

Wanda

## From our Leadership Chair, Susan Ulino

Hello All,

Gabrielle Crepeau Leadership Award nominations are due by March 15<sup>th</sup>. Yes, you have plenty of time but why wait until the last minute? There is information and the protocol on the district website:

<https://districtone.altrusa.org/files/2020/03/Gabrielle-Crepeau-Leadership-Award-Criteria-2020.pdf>

The “Gaby” is unique to our district. I could quote the website but I’m sure anyone would realize that if an award is named after someone, it’s obvious that the award is named for a very special person. So, if you have a member of your club, who exemplifies what it means to be an Altrusan, please read the procedures and qualifications. Tell us why your club member deserves to win the Gaby; a member who inspires others to challenge themselves and others to meet their goals

The judges are all lined up and waiting to hear about your awesome candidates. They reside in Canada, California, and New York City. It is extremely unlikely that they will know any of the nominees so their scores will be totally objective. I’m looking forward to seeing who the nominees are. I’m sure they all deserve to win. The scores are usually very close. Please get your entrees in to me as soon as possible. My email is: isadorad@charter.net

I’m looking forward to the conference in April. It will be great to see you all.

Susan

Yours in Sisterhood,

From our Service Chair, Anita L. Chandler

One Book at a Time

Don't we all love a challenge!

International President, Kathy Folley's love of reading has led to "One Book at a Time", a challenge for Altrusans to distribute one million {1,000,000} books or give one million {1,000,000} service hours devoted to literacy during her biennium 2022 – 2023.

Suggestions on how to attain this goal are:

- Develop a signature project or expand a current one, like Portland's A B C Project.
- Track the number of hours and or books that your club distributes in your community.
- Log time spent coordinating book clubs, writing groups or reading to school children or people in group homes.

Send your numbers for both books and hours for each year to International. The hours for 2022 may be sent now, the hours for 2023 will be due 1 June 2023. The online submission forms to report your club's literacy hours and the number of books distributed can be found on the Altrusa International Website, under the Service Tab.

Relax and take pride and joy in the fact that your club has made a difference "One Book at a Time".

Remember the goal is to help promote and share the love of reading and all the gifts that reading brings to all!

The screenshot shows the Altrusa International Service Projects website. At the top left is the Altrusa International logo with the tagline "Leading to a Better Community". The main title "Altrusa International Service Projects" is displayed prominently in blue. Below the title, a subtext reads "A database of Service projects from throughout our Altrusa organization". At the bottom of the page is a blue navigation bar with two buttons: "Search the Service Project database" and "Enter a Service Project".

**Let the International website be your guide.**

If you are struggling to find ways to continue providing service to your community or to come up projects that keep members engaged, search the database for ideas. Feel free to tailor any of the projects you see to the size of your club, budget and community.

### District Workshop 2022

Cromwell, CT

"You said you and I were gonna get outta town and, for once, just really let our hair down. Well, darlin', look out, 'cause my hair is comin' down!" – Thelma & Louise

And so our adventure began...Francine Breton, and I left Maine Friday noon for a four hour drive to Cromwell, CT. We were looking forward to the District One Workshop, "Unraveling the Mysteries of Altrusa". Friday night board meeting was just the beginning of reconnecting with board members in person and with those who "zoomed" in. All were present and District business was taken care of; and the clubs who requested revitalization grants were approved.

What an enjoyable workshop. Not only was it informative but FUN, which seems to be the motto of our District Governor...FUN. The Recycling for good was presented by Denise Doyon; this session provided us with a number of options on how and where to recycle. The Values inventory was presented by Violet Sims, this exercise provided us with the opportunity to bring our personal values into focus. In looking at the values of other participants, it was amazing to see the similarity of values we Altrusans possess. The skit, Murder on the High Seas, was well choreographed and fun to watch our Greater Hartford members acting ability. The clues provided a great fundraiser which was sent International.

I can't stress enough if you haven't attended a workshop or conference you are missing out. Try to make the next conference April 21-23 at Nonantum Resort, Kennebunkport. The camaraderie between the Altrusa clubs is liked minded and most enjoyable.

And by the way, our adventure continued in CT for a few more days after workshop, starting with meeting a few club members for dinner at Fiore Café. Great company and good food. And as Thelma said..... "Louise, no matter what happens, I'm glad I came with you."

Wanda Pettersen  
District One Treasurer

## News from Bermuda...

On Wednesday July 27<sup>th</sup>, District One Director Hilda Schmidt arrived on the cruise ship Norwegian Joy to a lovely sunny hot Bermuda day.

Marguerite Lovell and Mary Faries, representing the Altrusa Club of Bermuda, had arranged to meet Hilda and her husband Gary for lunch at the Frog and Onion. Needless to say it was a fabulous lunch which lasted over 3 hours.

Hilda was brought up to date on happenings in the Club by Mary and Gary had a very interesting chat with Marguerite on certain areas of history of Bermuda as they are both history buffs.

We all had a grand time and hopefully one day we'll see them and other Altrusa members visit us.

### Mary Faries.

## News from Biddeford-Saco...

Members of the Greater Biddeford Saco club recently went to Ruth's reusable Resources in Portland for a work session in preparation for the new school year. Ruth's (3R's) mission is to ensure that all students, from Pre-k through high school, have the basic supplies and creative tools for literacy, STEM, and health education through the environmentally conscious distribution of donated business supplies. Most of their supplies are donated from various businesses and financially supported by organizations

The Greater Biddeford-Saco Club has been *shaking off the cobwebs from COVID* and we are putting projects in motion. We'll share these projects with you. You might find some good ideas in the mix! We have decided to have our winter business meetings on Saturday mornings following brunch. (Currently meeting Monday evenings.) Should we encounter challenging weather, we'll Zoom!

We collect cans and bottles (returnables) year round for our scholarship fund and turn them in through Clynk. This past summer one of our members (Suzen Raven) set up a partnership with a local seafood restaurant to pick up their returnables and relieve them of that annoying task.

We estimate that we picked up over 100 bags! They were happy to donate to a good cause. We placed appropriate signs telling customers that Altrusa was collecting the returnables and that the money would be going to our scholarship fund--Free publicity for Altrusa .

December 10<sup>th</sup> was our bell ringing day for the Salvation Army. We were stationed at "Reny's-a Maine adventure". In all the years we've been ringing the bells, this had to be our biggest haul. People were generous—often \$5 bills—and they took the time to thank US for being there to collect. We're all ready to sign up for next year.

We're very proud of our Winter Survival Project. We solicited Hyperlite Mountain Gear (based in the Biddeford Mills) and they donated 10 sleeping bags. Saco and Biddeford Savings Bank donated 10 tents and 10 storage bags. The club invested \$500 to buy mess kits, socks, sterno and personal hygiene kits. Club members put the bags together and they have been delivered to the Police Departments, to Seeds of Hope (non-profit taking care of the homeless) and to the Bon Appetit meal program. 10 is not a large quantity but it should bring comfort to those 10 people.

***NO MORE COVID COBWEBS ON OUR CLUB!!!!***

### BELKNAP COUNTY NURSING HOME

By Barbara DeAngelis

It has been a very l-o-n-g time since we have been able to visit with our friends at the nursing home. Next week both Barbara and Sue plan to attend the monthly birthday party for residents with birthdays in November. Some of the rules for visiting have been relaxed—thank goodness! Does this mean COVID is waning??!! It will be great to visit with Brenda, the activities director, and explore the possibility of starting up our Memory Book project again.

### FUNDRAISING COMMITTEE

By Stephanie Gilbert

The September Calendar Raffle Fundraiser went great! It was an online fundraiser that ran through the month of September with a winner every day. We were able to use our Taste of the Lakes Region coupon books, cookbooks and gift cards as prizes. Something we could think about doing again in the future!

Our October fundraising event “Magic at the Mill” with Larry Frates was held at the Belknap Mill on Oct 16th. It was a gorgeous day with many people of all ages in attendance. Larry put on two amazing shows!

Here is feedback that was received from an attendee:

**Mr. Frates,**

**I took my great grandson, Lincoln, to your show today. I just wanted to thank you for such a fun afternoon. Lincoln loved every minute of it and I did, too. You are wonderful with the kids and your sense of humor was over the top. Thank you again for working your magic and bringing so much joy to so many.**

**Sincerely,  
Lincoln and Doris**

### LITERACY COMMITTEE

By Barbara DeAngelis

At the Magic Show with Larry Frates last weekend, Altrusa handed out free books to every young person who attended. The young people picked out their own books and some who were undecided took two books!

Our Little Free Library at Vista Foods is going strong. A big thank you is extended to those Altrusans who donated books themselves, as well as our families, friends and neighbors!

## News from Meredith.....

### October's We Care Concert A Great Success

The partnership between Temple B'Nai Israel of Laconia as part of their "We Care Concert Series", and the Altrusa Club of Meredith proved to be a perfect match. On October 29th, concert goers thoroughly enjoyed the unique sounds of Introduction: The Chicago Experience as they brought down the house with their high powered tribute to the band Chicago. Proceeds from this event exceeded expectations thanks to the many generous sponsorships and ticket sales.

Our Community Service Committee collected socks for the Inter-Lakes High School Inter-Act Club's "Socktober" sock drive. At our Tri-Party Birthday Party on October 18, hosted by the Carroll County Club, we received socks donated by our Carroll County Sisters. Their generous contribution to this initiative was very much appreciated.

After a three-year hiatus, the Altrusa Tri-Club Birthday Party took place on October 18<sup>th</sup> at River's Edge Grill in Ossipee. Shown here (l. to r.) are Meredith President MaryAnne Skawinski, Carroll County President Beth Wheatly Dyson, District One Governor-Elect Rite Cote, and Laconia Co-Presidents Sue Clausen and Stephanie Gilbert. Everyone enjoyed a delicious meal and a presentation about fraud by Northway Bank guest speakers Kimberly Poirier and Michelle Booker.

Altrusa members conducted a FOOD DRIVE on October 22, 2022 at the Market Basket, Chelmsford, MA.

This FOOD DRIVE was to benefit the Open Pantry of Greater Lowell, which services the 7 communities of Lowell, Billerica, Dracut, Dunstable, Tewksbury, Tyngsborough, and Westford.

We collected approximately **4000** pounds of non-perishable food items as well as assorted paper products. The pantry truck was full.

In addition, cash donations in the amount of **\$260.00** and \$70 in gift cards were forwarded to the Pantry. Altrusa is very thankful to Market Basket for allowing us to host this event in Chelmsford and extremely grateful for the support of its customers.

The overwhelming generosity of the Market Basket patrons helped fill the empty shelves at the Pantry.

Maureen Peirce, Executive Director of the Open Pantry commented that prior to the Food Drive, she was not going to be able to open the Pantry on Monday because the shelves were bare.

The Pantry Truck is filling up quickly.

Altrusa of the Seacoast members Nadine Rueter, Carole Intoccia with Barb Leavey deliver a check to Brenda Blonigen of VFW Boardman Ellis Post 6977 in York, ME.

As our support of the York Police continues...We look forward to the coming year with the sense of celebration and a mission to make a difference where we can!

Megan Shapiro-Ross from Footprints Food Pantry of Kittery, Maine was our October Program meeting guest speaker. She didn't leave empty handed and was thrilled by the generosity shown by our group for the donations provided to help fill the Pantry shelves.

On Veterans Day, members of Altrusa of the Seacoast greeted each customer at member Norma Clark's restaurant. Veterans received a free meal courtesy of our local Park and Rec department. Altrusa also provided each veteran with a handmade thank you card, gift certificate for \$5 toward a future meal at Norma's, and a chance to win one of four of our hand knotted blankets, plus a lovely donated quilt. It was one of the most heartwarming endeavors we've participated in and a lovely day for all.

Our Veteran's Day blanket brigade!

It was a beautiful day for fleece shopping! Joanne Fabric of Newington, NH knows when they see us coming that their scissors had better be sharp! We still haven't spent the entire grant but are getting close!

After a long afternoon of knotting all that fleece, a bit of nodding off was part of the program.

As the season gets colder, we recognize the need for warmth for those of our community in need.

Altrusa recently delivered 40 handmade fleece blankets to Community Action Partnership in Dover, NH; 25 blankets to Kittery Food Pantry, and 4 to York Community Service Association.

Our blankets are something these organizations look forward to receiving as much as we enjoy our fellowship making them.
